SOUND REQUIREMENTS

TERMS & CONDITIONS

- MAKE SURE THAT THE PA SPEAKERS ARE COMPLETELY TUNED AND ALL THE CABLES AND LINES SHOULD BE CHECKED ACCORDING TO THE PATCH LIST BEFORE THE BAND COMES IN.
- WE REQUIRE MINIMUM 2 (TWO) TECH. GUYS ON THE STAGE, WHO SHOULD BE WELL EQUIPPED AND AWARE OF SYSTEM.
- BAND REQUIRES A MINIMUM 2 (Two) HOURS OF SOUNDCHECK AFTER COMPLETE LOAD-IN AND SETUP.
- THE STAGE / FOH POWER SOURCE MUST BE EARTHED AND ON A SEPARATE GENERATOR / SOURCE FROM THE LIGHTING SOURCE.
- THE BACKLINE AND MICROPHONES MUST BE SAME AS PER ATTACHED.
- PLEASE FORWARD A COPY OF THIS LIST TO THE SOUND VENDOR AND ASK THEM TO CONFIRM US THE AVAILABILITY OF THE EQUIPMENT MENTIONED.

OTHER REQUIREMENTS

HOSPITALITY & LOGISTICS ACCOMMODATION

- 5 twin sharing double bed AC rooms required for 9 members. (All rooms must be booked in a good hotel property)
- Clean greenrooms with toilet facility must be provided to the band before Sound check and no one should enter without permission.

FOOD & BEVERAGES

Band members and crew prefer **non-vegetarian** meals.

- All meals should be organised in the hotel for the band and its crew soon after they arrive at the hotel. Individual room service or buffet or hotel's own restaurant is acceptable.

During the sound check the following items should be available:

- 2 cartons of 500ml mineral water.
- Coffee or Tea.
- Light snacks like biscuits, cake, sandwiches etc.

During the show the following items should be available:

- 2 cartons of 500ml mineral water.
- 10 Pcs of Redbull can & 10 ORSL.

TRAVEL

9 flight tickets which includes Band Members, Manager, Sound Engineer and Crew.

For ground transport outstation, 2 SUVs (Preferred model – Innova Crysta/Scorpio) should be there.

All drivers must know the address, directions, name of hotel, venue and airport.

Drivers must be informed of the timing for station/airport pick up and drop.

TERMS AND CONDITION

SOUND CHECK:

- The band will require a minimum of 2 hours for sound check. This 2 hour period will begin only after all backline gear is in position and operational on stage.
- All inputs must be line checked and the FOH systems must be fully functional and in show ready state.

- Full payment have to be cleared before stage (after entering the spot)
- Cooperation with photographers and band managers is highly expected.
- In case of any cancellation the advance is non-refundable.
- In case of date change, advance will be adjusted if the venue remains the same and we will cooperate with you as much as we can do but that will be a matter of discussion and negotiation.
- If there is train/flight as transportation, the fare should be borne by the client. The train/flight fair is not included in the band payment
